Frequently Asked Questions

What are the accepted file formats? Accepted file formats are PDF, EPS, PSD, AI, CDR, SCAL, AC, CPT, PDD, TIF, TIFF, PPT, PPTX, DOC, DOCX, and JPEG with high resolution. However, Adobe Illustrator EPS and AI files are an instant favorite for us. We will accept all file formats that we can convert to the format that can be printed.
What resolution should I use for the artwork? The minimum resolution should be 300ppi for most size banners and 150ppi for the largest banners. If you are using a 4-color CMYK process, we recommend using 300ppi.
What color mode is suggested? The suggested color mode is CMYK for all types of banners, signs, and related products. This is to ensure the best color reproduction. If you are using a 4-color CMYK process, we recommend using 300ppi.
What kind of ink do you use? We use UV cured ink for all banners. This ink is weather resistant and will last for years.
How and how often should I clean the banner? The banner should be cleaned every 6-12 months. This will help to keep the banner looking new and will help to extend its life.
Do I have to add bleed to my artwork? If you design using the Banner Design tool, we will use extra material for the banner design. This will help to ensure the banner is printed correctly.
What size do you offer the banner? Banner sizes range from 2' x 4' to 12' x 24'. We offer a variety of banner sizes and shapes to fit your needs.
